POLICY STATEMENT

(To be Reviewed - Autumn Term 2 2020)

Rising 3's Temporary Revision:

At Ashmore Park Nursery School places will not be offered to 'Rising 3's' in the autumn term 2020 who are not classed as vulnerable and meet the set criteria. By limiting the number of children accessing nursery to only those entitled to the provision, we are minimising contact/risk to both adults and children.

Home visits for children attending Ashmore Park Nursery School will not be conducted, whilst restrictions are in place due to the COVID-19 pandemic.

Induction processes will be reviewed, in light of guidance received from the DfE and the Local Authority regarding the COVID-19 pandemic. All efforts will be made to ensure that the induction process is managed as safely as possible, whilst continuing to allow for the nurturing of a positive relationship between home and school.
