

BAD WEATHER PROCEDURES

As snow has been forecast for the first time this year, I thought I would remind you what happens if it is necessary to close the school. You will find out by listening to the local radio, by using the “Wolverhampton Today” Facebook page or the Wolverhampton City Council website. If it is necessary to close the school early then we would text you so it is important for you to ensure that we have your most up to date and correct mobile number on file in school. If the weather is bad and school is open, but you make the decision not to venture out, then please remember to let us know that your child will be absent and the reason for absence.

Also, if you bring your child to school wearing wellies then please bring a pair of shoes for them to change into. Wellies are uncomfortable for the children to wear all session and particularly when sitting during story/group time.
